

F & F FLAVOURS & FRAGRANCES LIMITED

FOOD SAFETY POLICY

F & F is committed to the manufacturing, packaging and dispatch of natural and nature identical flavours, which meet applicable statutory, regulatory and mutually agreed customer food safety requirements, using the most appropriate food grade manufacturing facilities in a hygienic environment while maintaining effective communication with interested parties on food safety issues as well as ensuring continual motivation, training, skills and knowledge development of employees/persons doing work under its control in order to build a competent organization capable of achieving set food safety related improvement goals in line with the requirements of internationally recognized food safety management system standards.

This food safety policy is supported by measurable objectives, implemented, maintained, and continually reviewed for suitability, effectiveness, and continual improvement during bi-annual management review meetings.

Top Management ensures that this food safety policy is communicated to relevant interested parties and all employees in a manner that shall ensure suitable application to assigned tasks.
