

F&F FLAVOURS AND FRAGRANCES LTD.

QUALITY POLICY

F&F Flavours and Fragrances Ltd is committed to:

1. Manufacturing locally, natural and nature identical food flavours and fragrances of high quality that meet our customers', relevant regulatory/statutory and other interested parties' requirements within the context of its organization.
2. Review and continual improvement of all business-related processes in line with requirements of ISO 9001:2015 quality management system to achieve its strategic goals.
3. Compliance with its Organizational requirements through established practices, processes, and procedures.
4. Effective implementation of measurable quality objectives at relevant levels and functions to track organizational performances and for overall attainment of the intent of the Company's Quality Policy.
